Project Name	Nutrition Assistant Application

Create An Account In SendGrid:

In IBM Project workspace there is a website link is there to create an account in the SendGrid using those resources we have created an account in SendGrid.

Here is a Screenshot given Below:

The screenshot displays the SendGrid sign-up interface. The main heading is "Let's Get Started" with the subtext "Sign up for free. No credit card required." The form includes an "Email Address" field containing "bbhemasai@gmail.com", a "Password" field with masked characters, and a checked checkbox for "Use email address as username". Below the password field is a reCAPTCHA "I'm not a robot" checkbox. At the bottom, there is a checked checkbox for "I accept the Terms of Service and have read the Privacy Notice" and a blue "Create Account" button. A sidebar on the right titled "Try it out!" lists benefits: "Automated drip campaigns", "Password resets", "Newsletters", "Receipts", "Delivery notifications and updates", and "Promoted emails". The browser's address bar shows "signup.sendgrid.com".

Here is the Screenshot page after created an account:
